Declaration of REACH according EC 1907/2006

Dear Costumer,

As a manufacturer of various products, MBT Climate Benelux NV is a "downstream user" within the meaning of Regulation EC 1907/2006 according to Article 3 Number 13. It only manufactures products that do not release any chemical substances during normal and foreseeable use. MBT Climate Benelux NV is therefore not subject to any registration obligation or any obligation to prepare safety data sheets.

In accordance with Article 33 of the REACH Regulation, we submit the currently available information in Annex I on the SVHC-CL contained in the supplied products in a concentration above 0.1% by mass (w/w), calculated as described in the judgement of the European Court of Justice of 10 September 2015 - C106/14. This declaration refers to the candidate list according to Regulation EC 1907/2006, Article 59(10), as amended https://echa.europa.eu/de/candidate-list-table.
